

Poster Guidelines:

- Each poster should have the conference name on the top.
- Choose the font size and style wisely such that the Title of the paper, author names, affiliation and the content are clearly visible.
- The title of the Poster should be the same as that submitted in the Abstract.
- Make sure the text is easy to read and concise.
- Information shown through Figures/illustrations should be clearly visible against the background of the poster.
- To ensure uniformity and quality of poster, we recommend that the poster should not be more than **3 feet** in width and **4 feet** in height.
- All presenters are recommended to preside at their poster panel during the session for anticipated discussions with the participants.
- Adhesive tapes and push pins will be provided.
